

IT'S THE
RIGHT MOVE

Holiday Loans

Do you need some extra spending power this Holiday season for someone special in your life or maybe even to buy yourself a gift? If you find yourself saying yes to either of those questions, apply for one of our popular Holiday Loans today! With an interest rate that is lower than most credit cards it makes sense to apply for a small personal loan rather than racking up credit card debt every time you need to make a purchase. Even if you need funds for something else like: car repairs, consolidate your credit card debt, major purchase, vacation, etc... it would be a great idea to take advantage of our Holiday Loan special.

Toys for Tots Fundraiser

Join Valley Credit Union and Buffalo Wild Wings on Monday, December 10th, 2018 to eat wings and raise funds! Grab a friend/coworker and come for lunch or bring the whole family for dinner. Buffalo Wild Wings will be donating 20% of the proceeds from meals for anyone that presents a Valley coupon. All of the money raised will go towards supporting the Toys for Tots program. The coupon that you need to show is in the link below. You can download and print the coupon or use your phone to present it to the server. Just make sure your present it on December 10th. The coupon is good all day. Not everyone needs a coupon as long as the entire table is with someone that does have a coupon. [Click here](#) to view pictures on our Facebook page of our Pack the Valley Van event at our King Avenue Branch on November 3rd. We would like to thank everyone that stopped by to donate a new unwrapped toy to this great cause. This was our 2nd year in a row of doing this event, and we received more toys than the previous year. So we are asking for your help to end our Toys for Tots drive with a big bang by December 10th to make our goal for next year even harder!

Valley's Blog

One of our members, Marci, recently ran into our Business Development Rep, Brandon Scala, at a community event. Marci introduced herself and wanted to share the story of how she came to Valley. Marci wasn't very satisfied with where she was banking at that time. Marci was taking care of her parents even though it was putting a strain on her financially. However, as Marci said "It's your parents, you do what you have to do." When Marci reached out to her bank for some help, she left without receiving what she needed even though she had banked there for 25 years. Of course, Marci was left feeling frustrated and unsure what to do next. A few acquaintances with an account at Valley suggested she stop by at their credit union because "they were awesome and help people out." Marci stopped by our Grand Branch and met Jade who took care of her and made her feel like everything was going to be okay. Marci and Jade worked together and were able to get her "put together financially" and "saved her life." Marci told Brandon that "Valley was The Right Move for me for sure!" Brandon said it was her say she'd "do anything for Valley." Click below to read the rest of the blog.

Scam Alert!!!

We've been warning you about scammers asking you to pay with gift cards or by wiring money. Scammers love getting you to pay that way because they can get your money fast and disappear. It's almost as good as getting you to send cold, hard cash. Which must have occurred to them, too, because some scammers are now getting low-tech and asking people to send cash in the mail. Sometimes they even tell people to divide the cash between pages of a magazine.

We ask you to please be cautious of scams. If you think you may be part of a scam to please contact us at (406)656-9100 or stop by one of our branches.
